

# IQAC – SATYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT

## 1.4.2 FEEDBACK ACTION TAKEN REPORT

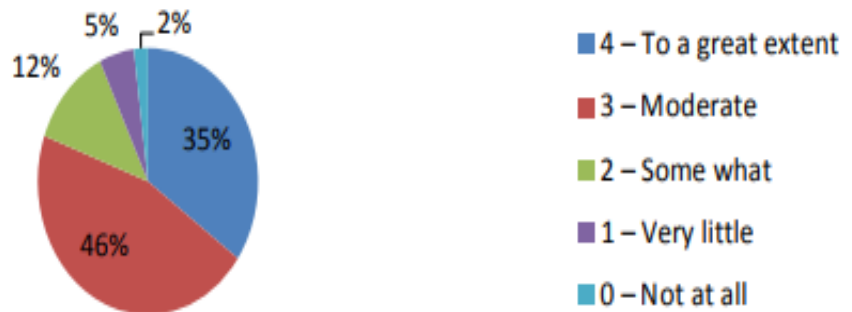

Were you taught the techniques of analyzing a general engineering problem?

Action Taken:

- Open ended problems are posed to make the students think.
- Small project works are encouraged to enhance real-life exposure.
- Arranged several industrial visits.

4. Was your performance in assignments discussed with you?

Action Taken: Teachers take care to discuss the lacunae of students in one-on-one discussions

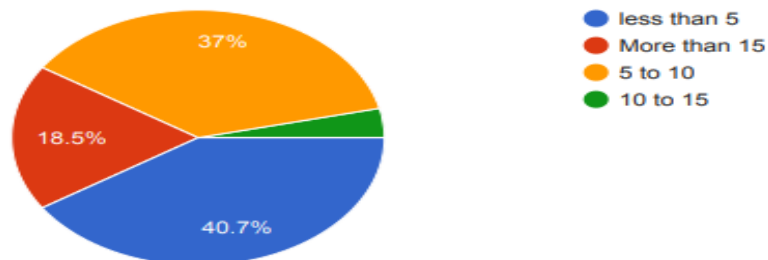

12. Efforts are made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you ready for the world of work.

Action Taken:

- Students are encouraged to organize seminars with least intervention from the teachers.
- Innovation Center was created.
- Made more MoUs with different industries

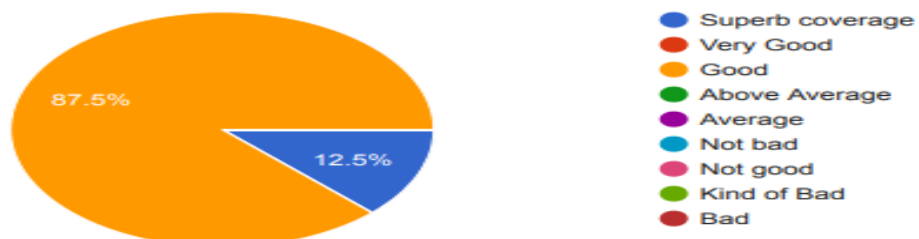

How many classes did you teach using audio visual tools in the previous semester?

Action Taken:

- Arranged more class rooms with Projectors:

What do you think about the communication skills of SITAM students?

#### Action Taken

- a) Conducted More Seminars/ workshops regarding communication skills.
- b) Made the students to participate in several intra and inter-college events.
- c) One student in the class is encouraged to speak for a few minutes about the lesson learnt the previous day. This would foster continuous learning as well as oratory skills.
