20. How well can you communicate and discuss your problems with teachers.
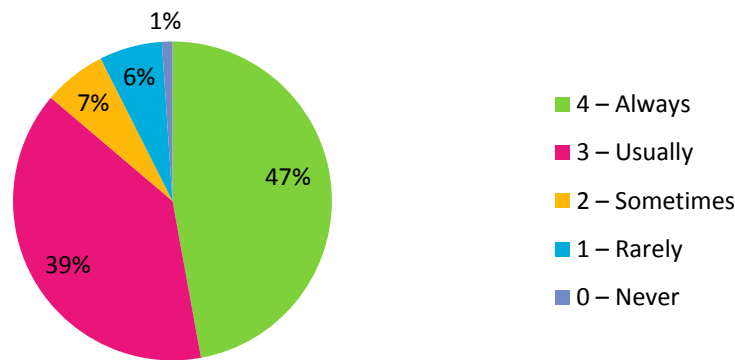

21. Give three observations/suggestions to improve the overall teaching-learning experience in your institution. (Some Notable Suggestions)

Required study hours Group discussions Seminars
Good teaching Good infrastructure and facilities
Study hour is good idea
1. Manner of teaching is so wonderful and refreshing. 2. Patient and supportive 3.great at building confidence and keeping lessons fun and engaging through a variety of activities that improve conversation, writing, and reading skills.
1) Use better graphics and visual media to engage students well. ... 2) Try to reach every student and ask for their doubts. ... 3) Make teaching a two way interaction.
1) Introduce Terms to pay fee. So every parent can easily clear dues within year. Currently it's difficult to pay fees in random days. So please implement terms. 2) Conduct Fests
Please interact with student new ideas and how to improve and learning the communication skills. Give some suggestions improve English communicate one to another Please provide all text books in central library
Practice more problems.. and conduct a slip test
We need explanation of topics in Telugu language
Everything is excellent
Provide good communication skills
Excellent faculty and teaching no suggestions.

Course can be more research oriented
Teachers need to give more examples. Need to make the student to listen in their way.
My department teaching faculty is overall are very good teaching
Department have to improve our knowledge on the internship programs and courses
Please continue this way of teaching
1) Conduct mock interviews 2) Conduct Problem solving skills (coding sessions) 3) Awareness about internships and projects
1.Instruction for clearing the semester examination are needed 2.Little more interest in teaching will be effective
Conduct class tests day by day that is useful for the student to clear their syllabus in in time So they get a good marks
It could be more effective if we are taught about the something beyond academics regarding coding it will help in our placement selections
1. Teachers are maintaining friendly relation with students. 2. Institute should encourage the students to do the certification courses. 3. Institute should actively encourage students in sport activities, cultural activities. 4. Encourage students to think innovatively.
Please give some more examples regarding the topics
Teachers should check whether students are learning or understanding the topic.
Expecting more assignments in order to revise our subjects
All faculty teaches well and good
Good enough they are doing their best
Internship awareness should be conducted
Good
1. Teachers are well knowledge in Subject, 2. Taking interest on every student to improve in subject. 3. Please make sure everyone one in class should communicate in English for their career development.   Thank you.
Library should be available upto 8 pm
Washroom should be maintained regularly, provide industrial visit for CSE students
Excellent

Make classes effective Materials providing to student Quick access to pdf
Always they take responsibility towards students
Please provide Wifi Facilities always
We want friendly nature from teachers. Revision classes for backlog students. Special care for who are poor in studies.
Conduct Seminar in Class.
Maintain good rapport with students Conduct physical activities Conduct tutorial sections
Provide some practical experience
Please be friendly in explaining
Encourage students to ask questions.
Make teaching a two way interaction...
Increase ppt classes Very good teaching
Projector classes are better
