

IQAC- SATYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT

Qualitative Metrics

Criteria2: Teaching-Learning and Evaluation

Key Indicator 2.6: Student Performance and Learning Outcome

2.6.2	Attainment of Programme outcomes and course outcomes are evaluated by the institution
-------	---

The institute periodically assesses the student performance using a variety of tools to determine whether each of the Program Outcomes, Program Specific Outcomes and Course Outcomes are met with the requirements. Direct evaluation processes like University end exams, Internal and External assessment, class tests, seminars, project work, Internships; etc helps to assess the Program Outcomes and Program Specific Outcomes by using Course Outcomes of the relevant program.

In addition, remedial classes are conducted for slow learners to improve the performance of students in their academics by providing study materials, reference books, E-books, etc. The Institute also evaluates the Course Outcomes by Indirect assessment methods which comprise feedback from students every semester. Apart from this, Placement also serves as a measure of Program Outcomes. Employment of students upon the completion of course in various branches plays a lead role in Indirect assessment of Program Outcomes.

Further the measure of Program Outcomes, Program Specific Outcomes and Course Outcomes can also be evaluated on the basis of higher studies by the students in various Government institutions and Organizations, etc.
