Report on International Yoga Day

International Yoga Day is observed every year on June 21 to raise awareness about this ancient practice and to celebrate the physical and spiritual prowess that yoga has brought to the world. Yoga is a practice which plays an important role in relaxing the mind and body and boosting people's immune system.

Today, on 21st June 2024, SITAM COLLEGE celebrated 9th International Yoga Day. It was attended by many prominent Professors, Directors and Students of the college with great enthusiasm.

The event began with a brief introduction on Yoga Day by Dr D V V. Ramamurthy, Satya college of Engg college & Dr D M V Deva Mani principal Satya degree college and by welcoming the chief guest of YOGA GURU SRI. A. KRISHNA RAO & SMT. SURABHI SRAVANI, Yoga Health Expert.

Warm up exercises were taken and all the students practiced & performed sitting and standing asanas, importance of these were explained simultaneously. The celebration concluded with the speech of our Director sir Dr M.Sashibhushana Rao. He encouraged students to practice regular yoga to remain fit and improve concentration.

The Director sir Dr M.Sashibhushana Rao addressed the participants on the importance of yoga practice in our life.

All Faculties, Staff and students were taught the importance of Yoga in their life & how to maintain the harmony between body and mind. The students discussed the importance of yoga and also exhibited yoga postures and promised to introduce this activity in their daily lives.

International Yoga Day celebrations ended with a huge success under the supervision of the Head Cultural Committee, Sri J Maeswara Rao

Guidelines for the Practice of Asanas

- Generally, the asanas are practised in the sequence of standing, sitting, prone-lying and supine-lying position. Though there is other version which follow different sequence.
- Asanas must not be practised in haste or by applying any sort of undue force. Jerks should be

- Asanas should be performed with body and breath awareness. There should be coordination between breath and movement of body parts.
- As a general rule, inhale while raising any part of the body and exhale while bending down.
- The practitioner has to follow instructions sincerely and practise them with an optimal attention.
- Final position should be attained slowly step by step and should be maintained with closed eyes for an inward awareness within the body.
- Final position of asanas must be maintained for as long as one is comfortable.
- One should maintain the final posture according to one's own limitations and should not go beyond one's capacity.
- During maintenance phase of asana, there should ideally be no tremors or any type of discomfort. • An utmost care must be taken in increasing the time for maintaining the asanas. Introduction 7
- Regular practice is essential. Body starts listening to your command only after a regular and diligent training for a sufficient period of time. If regularity is disturbed due to some reasons, then one should resume the practice as soon as possible.
- In the initial phase, yogic practices involve deconditioning and re-conditioning processes. Therefore, initially, one may feel little fatigued after the practice but after few days' practice, body and mind get adjusted and one starts experiencing a feeling of well-being and happiness again.
