**National Science Day** in India is celebrated on February 28th every year to commemorate the discovery of the Raman Effect by Sir C.V. Raman in 1928. 2024 Theme: The theme for National Science Day 2024 is 'Indigenous Technologies for Viksit Bharat'. This day is dedicated to recognizing the contributions of Indian scientists to the world of science and to promote scientific temper among the people. It serves as a reminder of the importance of scientific knowledge and its role in shaping the future of the nation. Various educational institutions, research organizations, and government bodies organize seminars, exhibitions, and other events to mark the occasion and inspire the younger generation to pursue careers in science and technology. National Science Day serves as a platform to celebrate India's rich scientific heritage and to encourage scientific innovation and exploration for the betterment of society.

**SITAM Engineering College Walking Challenge**

As part of the Library Week celebrations, SITAM Engineering College organized a Walking Challenge to promote physical fitness and well-being among students. The challenge aimed to encourage students to incorporate regular walking into their daily routines and raise awareness about the benefits of staying active.

The event took place with enthusiastic participation from students across various departments. Participants were required to track their daily steps using fitness trackers or smartphone apps and submit their progress at the end of the week.

The challenge concluded with a prize distribution ceremony, where [winner's name] was recognized as the top walker, having covered the highest number of steps. The event not only promoted physical health but also fostered a sense of community and camaraderie among the participants.

The college administration and physical education department played a crucial role in organizing and monitoring the challenge, ensuring its success. The Walking Challenge was a significant addition to the Library Week activities, making it a well-rounded and enriching experience for everyone involved.

## SITAM Engineering College Celebrates Library Week with an Enthralling Quiz

SITAM Engineering College recently celebrated Library Week with great enthusiasm and a special quiz competition. The event aimed to promote the importance of reading and knowledge among students while providing a fun and engaging platform for showcasing their intellectual abilities.

The quiz held saw enthusiastic participation from students across various departments. The competition consisted of multiple rounds, including general knowledge, literature, and current affairs, challenging the participants' breadth and depth of knowledge.

The event was a grand success, with emerging as the winner, showcasing exceptional knowledge and quick thinking. The quiz not only highlighted the students' academic prowess but also fostered a spirit of healthy competition and camaraderie among them.

The college library staff played a pivotal role in organizing the event, ensuring smooth proceedings and providing valuable support to the participants. The week-long celebration also included various other activities such as book exhibitions, author interactions, and reading sessions, making it a truly enriching experience for everyone involved.

## SITAM Engineering College Library Week Kahoot Competition

As part of the Library Week celebrations, SITAM Engineering College organized an exciting Kahoot competition to engage students in a fun and interactive quiz. The event took place with enthusiastic participation from students across various departments.

The competition featured a series of challenging questions covering a wide range of topics, including literature, general knowledge, and current affairs. Students competed in teams, showcasing their quick thinking and teamwork skills.

The event concluded with a prize distribution ceremony, where the top-performing team was recognized and awarded for their exceptional performance. The Kahoot competition not only provided a platform for students to test their knowledge but also fostered a spirit of healthy competition and camaraderie.

## SITAM Engineering College Celebrates Engineers Day with a Focus on Sustainable Solutions

SITAM Engineering College recently celebrated its 57th Engineers Day with great enthusiasm and a special focus on sustainable solutions. The event, held on 15<sup>th</sup> September, aimed to honour the contributions of engineers to society and inspire students to pursue innovative and eco-friendly solutions in their future careers.

The celebration included a series of activities such as guest lectures, workshops, and panel discussions. Notable industry professionals and academicians were invited to share their insights and experiences, emphasizing the importance of sustainability in engineering practices.

The highlight of the event was a workshop on sustainable engineering solutions, where students had the opportunity to work on real-world projects and develop innovative ideas to address environmental challenges. The event concluded with a prize distribution ceremony, recognizing outstanding students for their contributions and achievements.

The college administration and faculty played a crucial role in organizing and supporting the event, ensuring its success. The Engineers Day celebration not only honoured the legacy of great engineers but also motivated students to strive for excellence and contribute positively to society.

### Celebration of National Girl Child Day\_ 2024@ SITAM girls Hostel;

On January 24, 2024, the SITAM Girls Hostel marked the celebration of National Girl Child Day. Resounding with confidence, the hostel's residents affirmed that girls can achieve anything, standing equal to boys in all respects. During the event, students openly shared their family experiences, highlighting the challenges they've overcome. They expressed optimism that education would transform their family fortunes, paving the way for successful lives. Grateful for government support, the girls thanked both the union and state government for fostering equal opportunities in education and various spheres. Dr.MajjiSashibhushana Rao, a participant in the event, advised the girls to set ambitious goals, emphasizing the importance of respecting and utilizing time to turn dreams into reality. Notably, cash prizes were awarded to students who eloquently spoke about the significance of National Girl Child Day. The event saw active participation from Captain Satyaveni, the Girls Hostel warden, and enthusiastic students.

## SITAM's Sustainable Awareness Campaign: A Two-Part Initiative

In a bid to promote sustainable practices aligned with the Sustainable Development Goals (SDGs), Satya Institute of Technology and Management (SITAM) organized two impactful events on December 6 and 8, 2023.

On December 6, SITAM hosted an event focusing on creating awareness about the environmental impact of polyethylene carry bags. Attendees were educated on the biography of polyethylene bags, emphasizing the urgency to address plastic pollution. The event highlighted eco-friendly alternatives such as jute and paper bags, connecting their usage to specific SDGs—jute bags contributing to Goals 8 and 15, and paper bags aligning with Goals 14 and 7. The distribution of jute bags to staff members showcased SITAM's commitment to sustainable practices.
