IQAC- SATYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT

### Qualitative Metrics

### Criterion 7-Institutional Values and Best Practices

### Key Indicator 7.1 Institutional Values and Social Responsibilities

7.1.11	Institution celebrates / organizes national and international commemorative days, events and festivals
--------	--

SITAM provides an all inclusive environment to foster tolerance and harmony towards cultural, regional, linguistic, communal and other socioeconomic diversities. As a preliminary practice, all persons are encouraged to restrain anger and hatred in all situations. They are reminded the motto of the institute Panditaha samadrsinaha.

SITAM organizes national festivals, birth and death anniversaries of great Indian Personalities, and most, if not all the several important days of historic and cultural importance of which some are mentioned below:

- Independence Day
- National sports day and Telugu language day
- Teacher 's day
- National Education Day
- National Library Week
- National Anti-Pollution Day
- International Year of Millets 2023
- National Mathematics Day
- Viksit Bharath@2047
- National Youth festival week
- Makar Sankranti
- National Girl Child day
- National Voter's day
- Republic day
- National Science day
- World poetry day
- Babu Jagjivan ram Birth Anniversary
- World health day 2024
- Ambedkar Jayanthi
- Women's day
- Yoga Day
- Engineer's day

Principal  
Satya Institute of Technology And Management  
Gajularega, Vizianagaram-535002

The institute recognizes and attests importance of national days and for all celebrations programmes are organized with motivational and inspirational speeches, cultural events like plays are organized combined with activities.

Festivals uphold pluralism and diversity of India and are celebrated in that very spirit. Diwali is celebrated with program of distribution of sweets along with exchange of wishes. In Yoga day, yoga sessions are offered for the faculty and are kept open to all for participation.

Wherever possible, top officials of industries or government offices are invited to address the students on festive occasions so that students get an all round view of India and also gain useful insights of official protocol and procedures.

## National Anti-Pollution Day Commemoration @ SITAM

DATE: 02/12/2023

On December 2, 2023, SITAM Engineering College in Gajularega orchestrated a highly successful series of events to mark National Anti-Pollution Day. Esteemed environmental studies expert, Prof. A. Kameshiwar Rao from GVFA, graced the occasion as the chief guest. In his address to the students, he championed the pursuit of a cleaner world, advocating awareness about environmental conservation, and commended SITAM's laudable initiatives in pollution control over the past four years.

Dr. Majji Sashibhusana Rao, Director of SITAM, shared valuable insights into essential environmental initiatives, emphasizing the need for pollution control. He urged students to contribute to a pollution-free society through responsible agricultural practices and underscored the impact of small initiatives, such as using bicycles, conserving resources, tree planting, and embracing eco-friendly practices, on the delicate balance between development and ecology.

Civil Engineering students Ms. Santhoshi and Mr. Bhargav asserted their commitment to pollution control and providing a safe environment for future generations.

Dr. D.V. Ramamurthy, Principal of SITAM Engineering College, passionately spoke about the pivotal role students play in shaping the nation's progress, emphasizing the importance of thoughtful discussions on growth and development.

Dr. G. Ravi Kishore, Head of the Civil Engineering Department, and other faculty members actively participated in the engaging sessions, fostering meaningful conversations and reflections on the nation's development. The students were encouraged to proactively contribute to the nation's growth.

On the occasion of international year of millets Satya institutions (Satya & SITAM) NCC SW & SD cadets conducted distribution of millets laddu , Bread& fruits to the Gajularega village people in vizianagaram .

Using millets offers several benefits. They are nutrient-dense, rich in fiber, and provide essential vitamins and minerals. Millets have a low glycemic index, making them suitable for managing blood sugar levels. Their gluten-free nature caters to those with gluten sensitivities. Millets also contribute to sustainable agriculture due to their resilience in diverse climates and efficient water usage. Incorporating millets into your diet supports both personal health and environmental sustainability.

All NCC cadets actively participated in the rally with placards and went to every house, awareness conducted .

In this programme SITAM Director Dr.M.Sashibhushana Rao, principal Dr.D.V .Ramamurthy, vice principal Ch.Venkata laxmi, Cap.M.Satyaveni, Lt.M.Varalakshmi, Lt.S.Prasanth, CSO K.Satyanarayana ,from 2(A) Girls Bn,PI Staff Subedar Major B.S.Bodele , all NCC cadets participated

"Engineering Career is mostly dealt with the Application of Mathematics" said Dr. Sambasiva Rao, Principal of M R (A) College, attended as chief guest to this programme.

On the occasion of National Mathematics day he told students the difference between Difference Equation and Differential Equation and explained the importance of applications of Mathematics in real life .

He also said ,by giving numerous examples, how other respective subject problems are converted to Mathematical problems.

Director Dr.M.Sashibhushna Rao suggested that every student should be proficient in mathematics for their bright future.

Dr.D.V.Ramamurthy, Principal, said that the students can easily excel in engineering if they have an understanding in mathematics.

The chief guest honored the students who won the mathematics quiz competition

HOD of BS&H, Faculty and first year students are present.

## National Farmers Day 2023

SITAM College Hosts "National Farmers Day 2023: Cultivating the Future: Innovation and Sustainability in Agriculture" on National Farmers Day at SITAM, Vizianagaram, December 23rd, 2023.

This celebration is dedicated to honour the farmers who are the backbone of the nation. "National Farmers Day" was observed with great enthusiasm and reverence. The event, organized by Satya Institute of Technology and Management, took place on 23-12-2023 at SITAM. The ceremony was graced by the esteemed presence of Sri Sarvanan, a renowned personality and a staunch supporter of agricultural development. National Farmers Day is an occasion to recognize the invaluable contributions of farmers to the nation's prosperity and food security.

Sri Sarvanan, the Guest of Honor for the event, is a distinguished figure known for his unwavering commitment to agricultural welfare and rural development. His presence added significant value to the occasion, inspiring all participants with his insights and passion for the betterment of the agricultural sector.

Dr. M. Sashibhushana Rao, Director, SITAM addressed that Farmers play in ensuring food security and the need for comprehensive support systems to enhance their livelihoods. He shared valuable perspectives on leveraging technology, promoting agro-based industries, and fostering a holistic approach to agricultural development.

Dr. D. V. Ramamurthy, Principal, SITAM motivated students to the importance of acknowledging and celebrating the hard work and achievements of those who contribute significantly to the agricultural sector.

The National Farmers Day celebration concluded with a vote of thanks and a commitment to continue supporting and uplifting the farming community. Dr. G. Ravi Kishore, HoD, Civil Engineering Department, faculty members and students of SITAM participated in the event.

### Celebration of National Girl Child Day\_ 2024@ SITAM girls Hostel

On January 24, 2024, the SITAM Girls Hostel marked the celebration of National Girl Child Day. Resounding with confidence, the hostel's residents affirmed that girls can achieve anything, standing equal to boys in all respects. During the event, students openly shared their family experiences, highlighting the challenges they've overcome. They expressed optimism that education would transform their family fortunes, paving the way for successful lives. Grateful for government support, the girls thanked both the union and state government for fostering equal opportunities in education and various spheres.

Dr. Majji Sashibhushana Rao, a participant in the event, advised the girls to set ambitious goals, emphasizing the importance of respecting and utilizing time to turn dreams into reality. Notably, cash prizes were awarded to students who eloquently spoke about the significance of National Girl Child Day. The event saw active participation from Captain Satyaveni, the Girls Hostel warden, and enthusiastic students.

time in library and ask them to read other than academic books.

Dr.D V Ramamurthy, Principal of SITAM blessed the students for their bright future. He hopes Goddess Saraswati will bestow all kinds of knowledge to lead a successful life.

Dr TDVA Naidu,Vice Principal ,Admin, asked the students to cultivate manual reading than mobile reading.

Dr.K Sreelatha, HOD ,II&BS, said some life changing quotes on reading. Dr.L.Satyavathi, Librarian ,SITAM, motivated all the students on how to use library effectively.

Students also spoke on this occasion. Winners in different competitions are given away prizes by the chief guest.

Special Book review session is conducted and special prizes are given to the best reviewers from students and faculty.

The chief guest is felicitated by SITAM Management. First year staff and students were also present.
