In India, a nation characterized by a rich tapestry of cultural, social, economic, linguistic, and

Ethnic diversities, individuals are united under the guiding principles of the Constitution, regardless of distinctions such as caste, religion, race, or gender. The institution aims to furnish students with the requisite knowledge, skills, and values to navigate the delicate balance between livelihood and life, within a supportive, safe, accessible, and

affordable learning environment. These principles form the bedrock of the college community's ethos, instilled through participation in various cultural, traditional, and value-centric programs featuring distinguished speakers. Additionally, SITAM organizes awareness initiatives covering topics such as plastic usage, cleanliness, and the Swachh Bharat campaign, actively engaging students in societal concerns. Institutional policies are crafted to reflect these core values, while the university curriculum incorporates essential courses such as Professional Ethics and Human Values, the

Constitution of India, and the Essence of Indian Traditional Knowledge, aimed at cultivating a sense of constitutional duty among students. Furthermore, the institution undertakes significant efforts to promote awareness on sanitation, quality of life, and self-awareness, exemplified by the establishment of dedicated NSS and NCC units that actively contribute to community service. Ethical values, rights, duties, and responsibilities feature prominently in extracurricular activities such as elocution, debates, and class presentations. Moreover, SITAM observes Constitution Day, administering the preamble as an oath to all its members, thus reaffirming their commitment to upholding the principles enshrined therein.

We have to take care about our parents and our grandparents. On this event we realized how to treat our grandparents in proper way. We had served the lunch to them and make this event successfully completed.
